

1

To begin, visit our website at midlandu.edu/dual-enrollment. Scroll down the page and click the "Apply Here" button to start a new application.

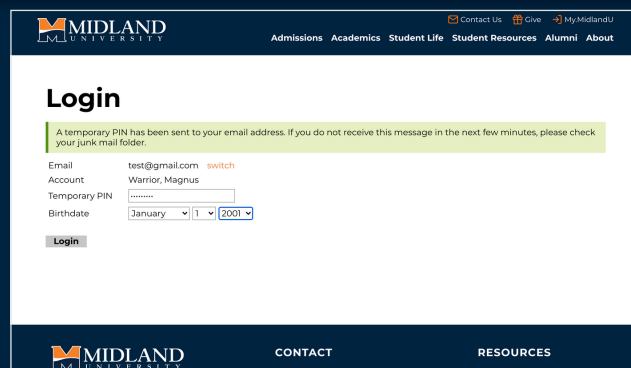

2

On the log in page you will be creating a new account. Use the STUDENT'S name and birth date as this is the name that will be enrolled.

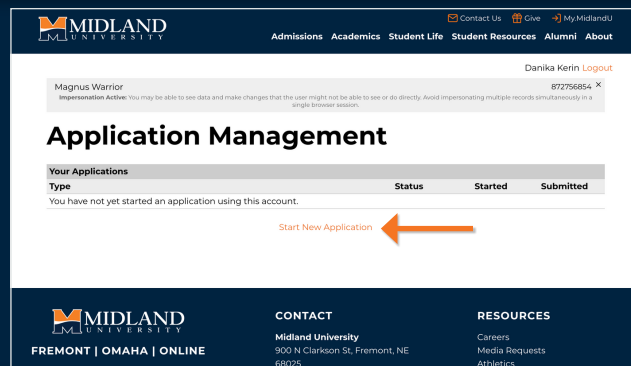

3

You will be asked to verify your email so make sure that you have access to it when applying and use a password you will remember.

4

Next, you will need to start a new application. Click the orange button at the bottom of the page

5

To start a new application, select the Midland University Application option.

This will then take you to the dual enrollment application. Please answer all questions with accurate information so there are no delays during the process.

To enroll in the Striv course, under High School, select "Striv School Course". Next, select the course "SAL201: Striv Gameday Operation" option.

The screenshot shows the Midland University Application portal. A user is logged in as 'Magnus Warrior'. The 'Application Information - Dual Enrollment' form is displayed. The form includes fields for 'High School', 'High School Graduation Year', 'Do you qualify for free/reduced price lunch?', 'Have you previously applied for dual enrollment with Midland University?', and 'A parent/guardian signature is required for application processing. Please fill out the following information for your parent or guardian.' The 'Parent's First Name' field is visible.

8

After you have submitted the student application, your parent/guardian will receive an email from Midland with their parent signature form. THIS IS REQUIRED TO BE ACCEPTED.

Once the signature form and other important steps are completed you will be able to see them crossed off your to-list in the application portal.
